Notice to Manufacturers, Formulators, Distributors and Registrants of Economic Poisons		Jan-71
Consolidated DDT Hearings	37 FR 13369	Jul-72
All uses of DDT for crop production and nonhealth purposed canceled	37 FR 13369	Dec-72
Regulations for the Enforcement for FIFRA	38 FR 9089	Apr-73
Thompson-Hayward Chemical Co. ET AL Notice of Applications for Registration of Pesticide Containing DDT	38 FR 13395	May-73
Thompson-Hayward Chemical Co. ET AL Notice of Denial of Registrations	38 FR 27519	Aug-73
Hazardous Materials Advisory Committee Notice of Meeting	38 FR	Nov-73
Registration of Pesticides Containing DDT Notice of Applications	38 FR 35350	Dec-73
Applications for Registration of Pesticides Containing DDT	39 FR 2509	Jan-74
Applications for Registration of Pesticides Containing DDT: Correction	39 FR 3852	Jan-74
Russell Chemical Co. Application for Registration of Pesticides Containing DDT	39 FR 2300	Jan-74
Registration of Pesticides Containing DDT	39 FR 5776	Feb-74
Use of DDT for Control of Pea Leaf Weevil	39 FR	Feb-74
Notice of Denial Of Registration	39 FR 6141	Feb-74
Notice of Denial of Registration: Correction	39 FR 7619	Feb-74
Use of DDT to Control the Douglas-Fir Tussock Moth	39 FR 8377	Mar-74
Denial of Registration of Pesticide	39 FR 13311	Apr-74
Eli Lilly & Company Registration of a Pesticide Product Containing Chlorophenothane (DDT)	39 FR 20538	Jun-74
Massachusetts Department of Public Health Issuance of Specific Exemption to Use DDT for Emergency Rabid Bat Control	39 FR	Jul-74
CA Dept. of Agriculture Denial of Registration of Pesticide Containing DDT for Restricted Use	39 FR 25405	Jul-74
Tolerances and Exemptions from Tolerances for Pesticide Chemicals in or on Raw Agricultural Commodities: DDT	39 FR	Aug-74
Cotton States Chemical Co. and Micro Chemical Co.	39 FR 31548	Aug-74
North Carolina Dept. of Natural Resources Receipt of Resubmission of Application to Register a Pesticide Containing DDT	39 FR 31549	Aug-74

Exemption granted for use on the Douglas-Fir Tussock Moth.	39 FR 8377	1974
Tolerances and Exemptions from Tolerances for Pesticide Chemicals in or on Raw Agricultural Commodities; Proposed Revocation	41 FR 39296	Nov-74
Limited use registration for dry peas approved to control the pea leaf weevil in Washington and Idaho.	39 FR 10322	73-74
Notice of Receipt of Application to Register Product Containing DDT	40 FR 2612	Jan-75
Louisiana Application for Emergency Exemption to Use DDT for Control of Tobacco Budworm on Cotton: Public Hearing	40 FR 6228	Feb-75
Louisiana Application for Emergency Exemption to Use DDT for Control of Tobacco Budworm on Cotton: Public Hearing- Correction	40 FR 6820	Feb-75
Rules of Practice Governing Hearing, Under the FIFRA Arising from Refusals to Register, Cancellations of Registration , Changes of Classification, Suspensions of Registrations and Other Hearings Called Pursuant to Section 6 of the Act.	40 FR 12261	Mar-75
Registration approved for control of head, body and crab louse and scabies.	40 FR 2612	1975
Louisiana's request for emergency use of DDT on cotton denied.	40 FR 15934	Apr-75
Massachusetts Dept. of Public Health	40 FR 22167	May-75
Receipt of Application to Register a Product Containing DDT	40 FR 27292	Jun-75
Massachusetts Department of Public Health granted crisis exemption to use DDT to control rabid bats.	40 FR 43758	1975
New Jersey Department of Environmental Protection granted crisis exemption to use DDT to control rabid bats.	40 FR 43759	1975
Receipt of Application for Experimental Use Permit to Use DDT on Cotton in Mississippi and Solicitation of Public Views.	41 FR 18543	May-76
Issuance of Specific Exemption to Use DDT to Suppress Plague-Vectored Fleas on Wild Rodents	41 FR 30711	Jul-76
Nevada Division of Health Crisis Exemption Using DDT to Control Flea Vectors of Plague	41 FR 38208	Sep-76
Issuance of Experimental Use Permit to Use DDT on Cotton in Mississippi	41 FR 43236	Sep-76
New Hampshire Division of Public Health Services granted crisis exemption to use DDT to control rabid bats.	41 FR 816	Jan-76
Pennsylvania granted crisis exemption to use DDT to control rabid bats.	41 FR 6122	Feb-76
Delaware Department of Agriculture granted crisis exemption to use DDT to control rabid bats.	41 FR 7809	1976

California Department of Health granted exemption for use of DDT to control flea vectors of plague.	41 FR 22979	1976
Experimental use permit issued to Clemson University to evaluate effectiveness in controlling the cotton bollworm and the tobacco budworm.	41 FR 35096	1976
Registration granted to CDC for DDT 50% Wettable Powder, intended for use in rabies vector control programs.	41 FR 31253	1976
California Dept. of Health Amendment to Specific Exemption to Use DDT to Suppress Flea Vectors of Plague/ Colorado Dept. of Health, Education and Welfare Issuance of Specific Exemption to Use DDT to Suppress Flea Vectors of Plague	41 FR 36250	Aug-76
Amendment to Specific Exemption to Suppress Flea Vectors of Plague in California	41 FR 46644	Oct-76
CA Dept. of Health Amendment to Specific Exemption to Use DDT to Suppress Flea Vectors of Plague: Correction	41 FR 49877	Nov-76
Wyoming Department of Agriculture Crisis Exemption to Use DDT to Control Rabid Bats	41 FR 50855	Nov-76
Ohio Department of Agriculture Crisis Exemption to Use DDT to Control Rabid Bats	41 FR 50053	Nov-76
Massachusetts Department of Public Health granted crisis exemption to use DDT to control rabid bats.	42 FR 2326	Jan-77
